

# APT LED Backlite LB

## Competitive Advantages of the product

### Edison/Nichia LEDs

- Ambient color
- Long life
- Failure protection
- Easy to adapt with Dimming/Automatic systems
- Uniform LED Pitch of 2 inch
- Uniform luminous Intensity

## About Product

Model Name :	APT LED Backlite LB
Wattage :	2W,3W,6W ( <b>2line,3line,6line</b> )
Power Supply :	Philips
Lumen output :	180 lm,270 lm,550 lm
Colour Temperature :	ww/nw/cw
Lighting Angle :	120 degree
Lifespan :	45000 burning hrs
Work Temperature :	-20c to 48c
CRI :	≥80
LED Type :	SMD
Driver :	Constant Voltage 24V

## Mechanical Specifications:

- Dim. Outer (sq.): 4"x12", 6"x12, 12"x12"

## Main Markets/Key Customers

: Retails,Architects, Lighting Consultants
